“ Greg and Bev's family,  
I am so sorry for your loss. My name is Barb Timmermeyer. I have been trying to find a way to contact and reconnect with Bev. Several years ago she sent a picture of you both with your dogs. We were friends on the graduate floor of Burge Hall at the University of Iowa. I was the dorm nurse there in 1969 and 1970 working on a B.S.N. Bev and I spent many good hours together talking and sharing. She was a wonderful person, beautiful, wholesome and humble. She was always so supportive of me when I met my husband-to-be and she was also hoping to meet a special person too, which she eventually did in you. I can't begin to express what a great friend she was. I'm disappointed that I'm late in trying to connect, but she will be in my thoughts and prayers, as will you. God bless.

“ Beverly was a wonderful family genealogist, and we visited a few times in past years. I am a cousin on our Father's side, and as happens so often, time and distance interfere with staying in touch. It was a great shock to hear of her passing, and I know she rests in peace. You are well remembered, Bev.

“ I worked with Beverly at the Sanwa Bank in Chicago, Illinois. We have remained friends for a number of years, and I also was invited to her wedding. I would talk to Bev every few weeks and told her of our move back to Illinois from Branson, Missouri where we resided for seven years. She did not get a chance for me to tell her that we returned back to Illinois and now reside in Tinley Park, Illinois. She would have been so happy to hear and share our good news. She is in the Lord's hands, and my husband Larry and I send our thoughts and prayers to the entire family.

Sincerely,

Chris and Larry Hitzman  
Tinley Park, Illinois
