“ Hey Charlie. Sorry to see you go. May you be with our great creator in the heavens above. I will miss you and your good and kind demeanor. I will remember all the good times we had at work. Remember the one time Cindy drew a face on the air bag when we were at the pulloff one day and I took it out of the trash buggy and was dancing around with it. I thought you were going to fall off your forktruck you were laughing so hard. I am surely going to miss you my friend. I will see you on the other side. God willing.

“ Amy I am so very sorry for your lose of Charles. He was a wonderful neighbor when we moved to the neighborhood as a young married couple. And when you guys got married, it was so nice having you both as neighbors. We always enjoyed catching up with you both at our kids graduation parties or around town.
