“ To all of Dale's family, He was such a nice guy. I never saw him without a smile. He was helpful on trail rides if anyone needed a boost up in the saddle. He liked his team and wagon. I was sad when he sold them because he really seemed to enjoy them. We will miss this sweet guy. We are so sorry we were unable to be at the funeral. Sincere Sympathy, Roy and Linda Rathje.

“ Dale was (and always be) such a dear friend of mine. I just heard late last night, Dale is no longer with us. It's still so hard to believe.

Dale was such a great asset to our small community. He was a very hard worker, and a honest man I could always trust.

I never once heard him complain about anything, but instead Dale choose to be happy. He ALWAYS had a smile on his face.

It is such sad occasion for me, his surviving family, plus so many other friends.

I'm trying my best not to think of him no longer with us, here on earth.

Instead, I keep picturing him happily up in heaven, being greeted by his friends and family who are already there.

And, I can't stop thinking that Cheryl was probably trying to push her way to be 1st in line to welcome Dale into heaven.

I miss him already.

“ So sorry to hear about Dales passing. I will never forget about all the Miller Mondays I spent with the group of people who hung out there. We had some really good times, and a lot of laughs. Those were the good ole days. Lots of fun memories.
