“ Many fond memories of Luella. My late wife, Adrienne, and I were so happy to employ Luella in the 1980s at Havencrest. She was always so very cheerful and capable, and supported whatever we did. I remember when she came backstage at our first big fund-raiser for the Savanna Hospital in 1991. We put on a musical "Obsidian" at our Facemakers building (the old Avenue School) with all local volunteer talent. Luella came backstage afterwards to our dressing room and was exuberant about the show. That mean a lot to us and I'll never forget her kindness that day. My deepest sympathies. Your loss is shared by many who had the pleasure of knowing her.

“ Dearest Lorraine, Steve, Justin, Brandy, Matthew, Aaron...
I am standing upon the seashore. A ship, at my side,
spreads her white sails to the moving breeze and starts
for the blue ocean. She is an object of beauty and strength.
I stand and watch her until, at length, she hangs like a speck
of white cloud just where the sea and sky come to mingle with each other.
Then, someone at my side says, "There, she is gone."
Gone where?
Gone from my sight. That is all. She is just as large in mast,
hull and spar as she was when she left my side.
And, she is just as able to bear her load of living freight to her destined port.
Her diminished size is in me -- not in her.
And, just at the moment when someone says, "There, she is gone,"
there are other eyes watching her coming, and other voices
ready to take up the glad shout, "Here she comes!" –HVD-

Safe journey, Luella. You will be dearly missed.
You are all in our hearts...sending much Love, Gail & Rich and the Kushnir clan

“ Lorraine, Steve, and family...please accept our deepest sympathy on the loss of your dear mother and grandmother. She was quite the character and card player. We loved when she lived at the top of Superior Ave and she was sitting outside in her easy chair and waved at all the cars that went by and when we walked we would stop by and give her a hug and a how are you today? She made our day. Also we saw her many times at Big Meadows and was able to continue our friendship. God took another angel home and she is at peace.. She will be missed by all that knew and loved her. Mothers hold a special place in our hearts and there she will always be. God Bless. Love & prayers, Jan and Marty Altensey

“ I loved this woman! I remember when she was on long term she was always wanting me to play cards with her! And when she would leave them lying around I would gather them up for her and take them to her room. I nicknamed her lulu even though she couldnt hear me I would always say ho and rub her on her back. RIP lulu, I'm sure there will be a deck of cards waiting for u
