“ Heidi, I never met you but heard you and Bill were truly a wonderful couple. Bill, Karen and I were next door neighbors on Mulberry Street from birth until Bill and I were nine when I was moved to Rockford. I returned my senior year to graduate and renewed our friendship. I learned of Bill having a health problem a couple years ago and called him to say "hello" and wish him well and had some fun conversation. I think you were at home at the time. I had intended to visit Bill and other friends after that but never got back to Savanna in time.

I know these are difficult times for you and your family but Bill is in Heaven looking down with affection and guidance for you and your family. My wife also passed in May and the reality she was gone and will never return has really set in. That realization is really a shock as I am sure you are now experiencing.

God bless you, Bill and your family. My sincerest condolences to you.

“ To Bill and all the family: I have very fond memories of shopping down at the store. My sister used to babysit for them, and I'd go with her once in a while. I bumped into young bill quite a few years ago when I was on leave and we had a good laugh about him scaring me at the bar (he grew 3 feet from the last time I had seen him. I know you all have great memories and I pray that your time of loss is eased by all the smiles I know you shared as a family.

“ I am so sorry to read this. My prayers go out to Heidi and the family.

We spent many evenings with Bill and Heidi and Tom and Kack Buck when we lived in Savanna in the mid 1970s. We had good times. Jay still wears a sport coat he bought at their store.

“ Heidi, Billy, Denise, and family members, losing your dear loved one is one of the hardest hurdle you will all have to endure, a husband and father has left your life, a man you all loved with all your heart! But I am sure Bill left you all with so many BEAUTIFUL memories for you to cherish today, tomorrow, and all the days ahead!! Look to Heaven above and you can see him smiling down at you, this will help you through your sad days! I was in school with Bill and he was always one of the good guys and I was Blessed to know him!! Our Lord has him now and HE loves Bill as much as you do!!!
